What is covered

Section one

Accident

This section only covers claims which fall within the definition of **bodily injury** and does not cover any claim caused or contributed to by **sickness**.

What is covered

We will pay the benefit shown in the 'schedule of benefits' if **you** suffer **bodily injury** during the **period of insurance** which results in **your**:

1. **Accidental death** - benefit to be paid out in accordance with the local inheritance law, unless stated otherwise in the proposal form or another applicable document.
2. **Permanent total disablement** as per detailed in the table of compensation.
3. **Permanent partial disablement** as per detailed in the table of compensation.
4. **Temporary total disablement**.

Conditions

1. If the benefit for death is not covered and an **accident** results in **your** death within twelve (12) months following the date of the **accident**, then no claim will be payable, other than for **temporary total disablement** for any applicable period prior to death.
2. If the benefit for death is covered and an **accident** results in **your** death within twelve (12) months following the date of the **accident** and prior to the definite settlement of the benefit for disablement provided for under items 2 to 4 above, the benefit payable will be the maximum sum stated in the 'Schedule of Benefits' under item 1 - death in addition to any **temporary total disablement** already paid.
3. Any benefit for **permanent total disablement** or **permanent partial disablement** will not become payable before the expiry of twelve (12) months following the date of onset of disability arising from a **bodily injury**. In the event **your** partial disablement becomes total, the only benefit payable will be the maximum sum stated in the 'Schedule of Benefits' under item 2 - **permanent total disablement** in addition to any **temporary total disablement** already paid.
4. If the benefit for death is covered, this benefit will also be payable in the event of **your** disappearance. **We** will only provide this benefit if:
 - a) **your** body is not found within twelve (12) months of **your** disappearance, and sufficient evidence is produced, that leads **us** inevitably to the conclusion that **you** have sustained **bodily injury** and that such injury has caused **your** death; and
 - b) the person or persons to whom such sum is paid will sign an undertaking to refund such sum to **us** if **you** are subsequently found to be alive.
5. If the benefit for **permanent partial disablement** or **permanent total disablement** is covered, the disability will be subject to the approval of two independent **qualified medical practitioners**, one to be appointed by **you** and the other by **us**. In the event of a dispute an independent third **qualified medical practitioner** will be appointed and their decision will be final and binding upon all parties.
6. If **you** have purchased **Permanent Total Disablement** or/and **Permanent Partial Disablement** the amount shown in **your schedule** is the maximum benefit payable under this policy. This table of compensation provides the scale of disability and total compensation available in the event **you** suffer from **accidental bodily injury** which results in any one of the listed disabilities. **Your** occupation is not taken into account.

7. The total benefit payable in respect of several **bodily injuries** due to the same **accident** is calculated by adding together the various percentages stated but will not exceed 100% of the sum insured stated in **your schedule**. For instance, complete deafness in one ear and total paralysis of the circumflex nerve would be calculated at 40% and 20% respectively and thus 60% of the sum stated in **your schedule** for **permanent partial disablement** would become payable.
8. For permanent disablement not specified in the table, the degree of **your** disablement will be assessed by **us** following recommendations made by a **qualified medical practitioner** by comparing the percentage shown in this scale.
9. In the event more than one item becomes payable for **your permanent partial disablement** the total sum will not exceed 100% of the sum stated within **your schedule** under item 3.
10. **Temporary total disablement** benefits will be paid for no more than the number of weeks as detailed in **your schedule** following **your elimination period**. Any weekly benefits will be paid in addition to any other benefit up to 104 weeks but will cease from the date which **you** are determined to have **permanent partial disablement** or be **permanently totally disabled** or with **your** death.
11. **Temporary total disablement** benefits payable for a fractional part of the week will be indemnified on the basis of one-seventh of the applicable weekly benefit for each day of disablement.
12. Coverage under this section is only available for individuals under 70 years of age, unless the insurance policy is held for two consecutive years prior to the individuals 70th birthday. If the policy is held for two consecutive years prior to the individuals 70th birthday it may be available for individuals under 75 years of age.

2. **Permanent total disablement** as per detailed in the table of compensation.
3. **Permanent partial disablement** as per detailed in the table of compensation or as evaluated by a qualified doctor.
4. **Temporary total disablement**.

Conditions

2. **Temporary total disablement** benefits will be paid for no more than the number of weeks as detailed in **your schedule** following **your elimination period**. Any weekly benefits will be paid in addition to any other benefit up to 104 weeks but will cease from the date which **you** are determined to have **permanent partial disability** or to be **permanently totally disabled** or with **your death**.
3. Any benefit for **permanent total disablement** or **permanent partial disablement** will not become payable before the expiry of twelve (12) months from diagnosis of an **sickness**.
